Rate your students (mark it on their cards)

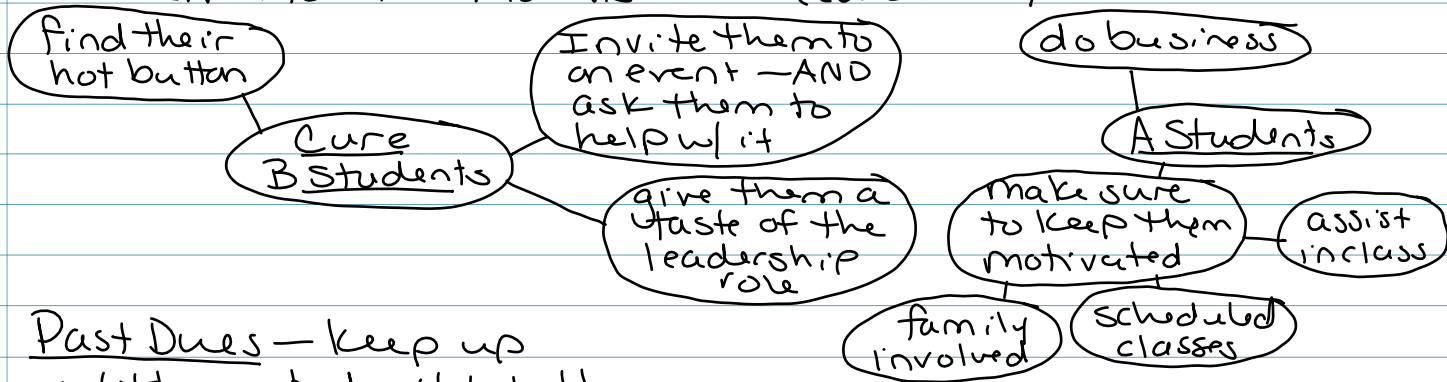

- be objective

- How do you solve the disease of B, C, & D students?

Do not try to do business with B, C, or D students.

It may only cause them to drop another level. Make them into "A" students first (cure them).

Past Dues - keep up

w/ them & don't let them

get too behind. It'll be too difficult for them to catch up. Call when the 1st pmt is due

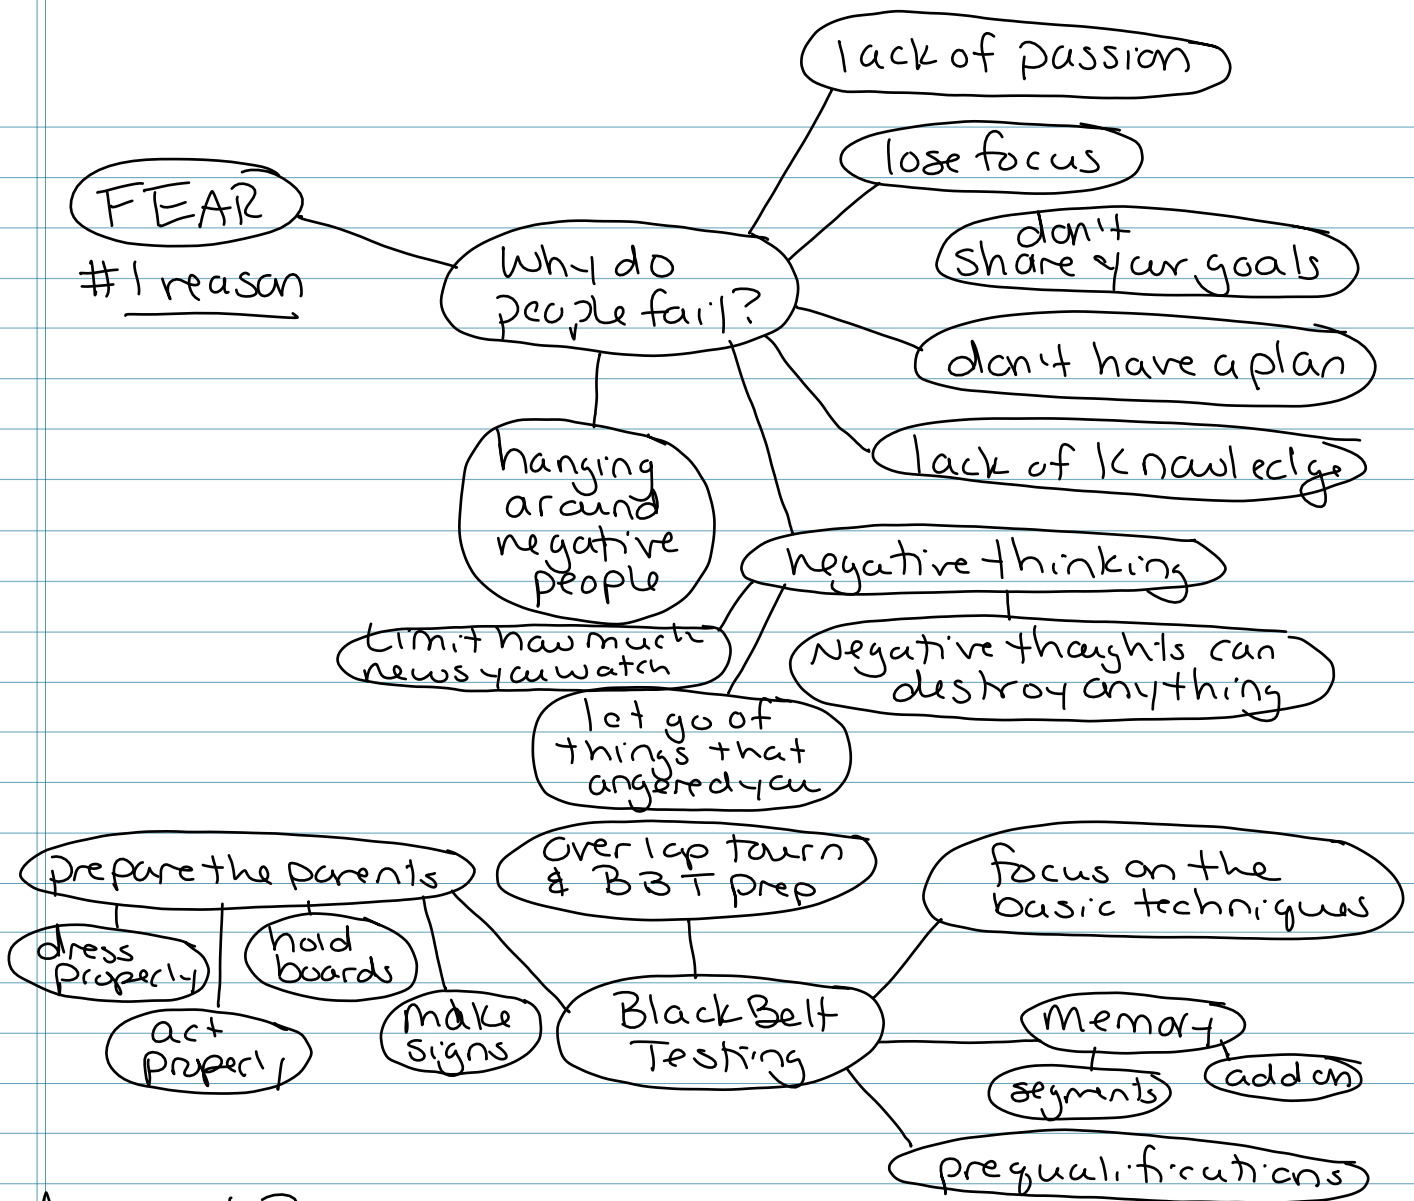

★ Turn in a Plan

- Past Dues

- Events Planned

- LI Activities

- Reactivation Plan - goal to get at least 1 person back

Awards & Recognition — present awards w/ pomp & circumstance — wh-, what they did, what the award means, wh-, it's important, Present in front of a crowd.
