

6/10/13

Jax 4 Kids — they have taken over the school paper
 Kalr seminar — sell to adult students, register at HQ
 — to become certified to teach

To reach your goal, how much personal production do you need each day to the end of the month?

Please remember to include acct numbers on everything — monthly pmts, memberships, change of EFT, cashouts
 • We have accts going back to 1990 in ASF — it can be very difficult to find correct acct numbers. We do not want to make mistakes & mess up a student's acct.
