Push for adult enrollments,
esp right now.

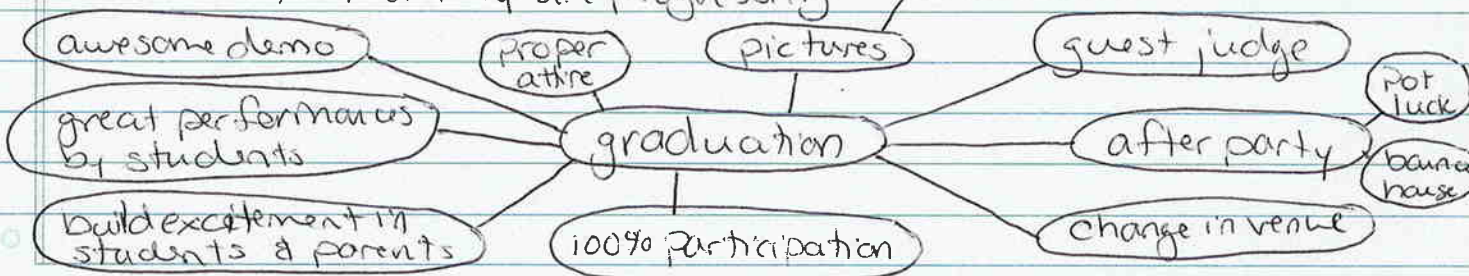

Stripes - red, white, blue

- Kali curriculum
- They must know the material & be able to perform proficiently. They should know it well enough to be able to help you teach.

BBT - How many people do you have testing?
 - What percentage of the school should be BB? 50%
 - To keep black belts, they must, test, compete, &/or teach.
 Must have a job they feel responsible for.
 Still feel they are progressing (make sure students look good)
