Was your weekend perfect?

- Held on event at the school.
- Party at home

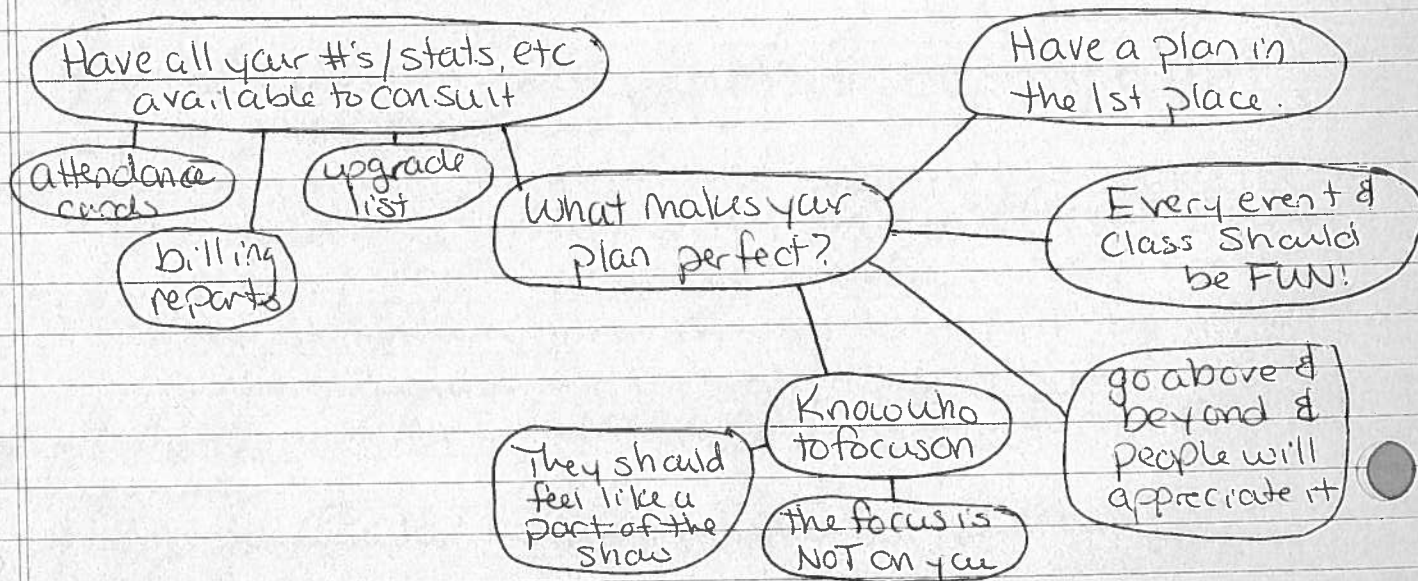

- taught great classes
- got a puppy for son

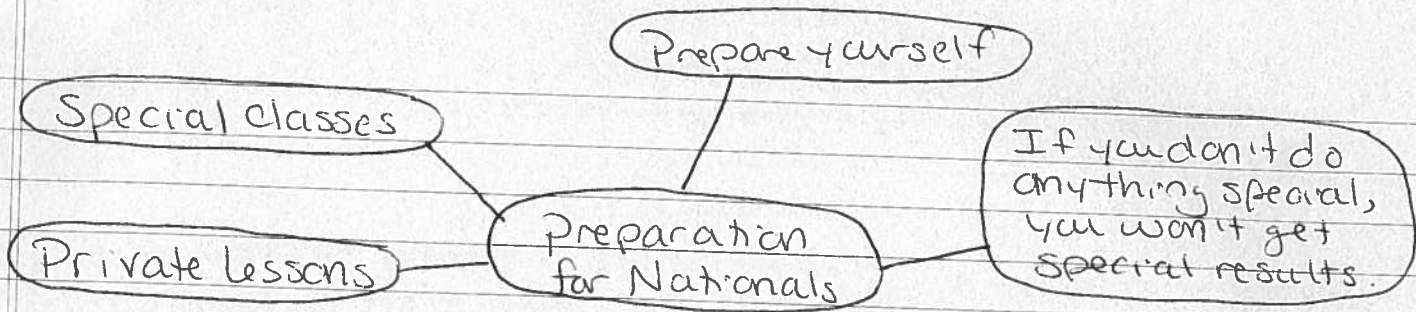

- who had big cash on Saturday & Sunday?

- Do something new - make today great  
Today is the present. Present = gift.

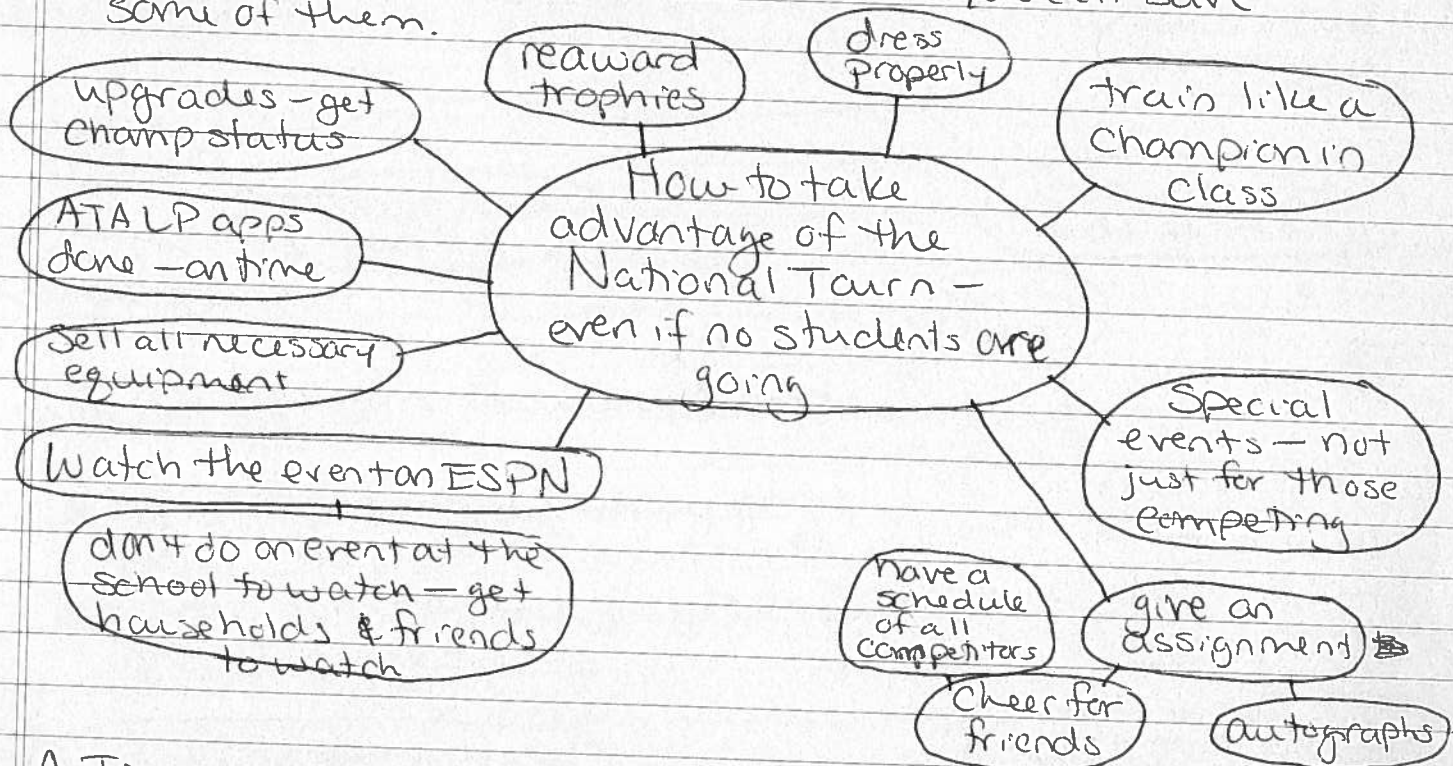

- This week, what are you going to do? Use the 4 W's.  
Who, when, what, why

The Starfish Lesson: Boy on the beach throwing starfish back into the ocean. Dad tells him he can't save all of them. Boy says, "But I can save this one."

- You won't save every student - but you can save some of them.

A Tournament can make people lifetime martial artists.

We are a team! Help each other succeed. When people are not successful at their school, your school helps pay their bills.

The biggest number you can affect by the end of the month is membership sales. Do presentations every day. How many do you do? Ask for the money then shut up & wait for the answer.

Make this week fun - decorate for a theme & tie it in to classes.
